

# ALWAYS LOOK ON THE BRIGHT SIDE OF LIFE

Am D G Em  
Some things in life are bad; they can really make you sad,

Am D G  
other things just make you swear and curse.

Am D G Em  
When you've been chewing on life's gristle, don't grumble, give a whistle.

Am D7  
and this will help things turn out for the best.

G Em Am D7 G Em Am D7  
And always look on the bright side of life, (whistle)

G Em Am D7 G Em Am D7  
always look on the lighter side of life (whistle).

If life seems jolly rotten, there's something you've forgotten,  
and that's to laugh and smile and dance and sing.  
When you're feeling in the dumps, don't be silly chumps,  
just purse your lips and whistle, that's the thing.

Always look on the bright side of life (whistle)  
always look on the bright side of life (whistle)

For life is quite absurd, and death's the final word,  
you must always face the curtain with a bow.  
Forget about your sin; give the audience a grin,  
remember it's your last chance anyhow.

Always look on the bright side of death (whistle)  
Just before you take your terminal breath (whistle) =

Life's a piece of shit, when you look at it,  
life's a laugh and death's a joke, it's true.  
You will see it's all a show, keep 'em laughing as you go,  
just remember that the last laugh is on you.

And always, look on the bright side of life, (whistle)  
And always, look on the bright side of life, (whistle)  
And always, look on the bright side of life, (whistle)  
And always, look on the bright side of life, (whistle)
